Mr. Bunnell hauled corn to Jasper last Monday.

There was a birthday dinner at the elder Mrs. Woodroe's last Sunday and a nice crowd was present. Mrs. Woodroe was 76 years old.

Wm Kad-rly has been on the sick list with back trouble.

Mrs. W. C. Kyle received a letter from Mr. Kyle and he had arrived safe at California and was busy seeing the wonderful sights.

We think winter is setting in quite early. It is catching lots of farmers

with their coats off.

The box supper at Farmers' Union last Friday night was fine, the proceeds bringing a nice little sum \$15.65. Miss Gideon, with 218 votes, won the cake for the prettiest girl. Miss Lizzie Etter received 180 votes.

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I when I began taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Webb Bros. Druggist. 50c and \$1.00. Trial bottle free.

DUBLIN.

The first snow of the season fell Monday, just enough to say it was snowing. Seybold is fixing to move to Arkansas.

Everybody is busy getting their corn in.

We will soon hear the old familiar sound of Mrs. Armstrong's carpet loom.

A horse belonging to Jas. Lang became frightened yesterday and ran from a point nearly two miles east of Jasper to the hitch rack at Webb's store, dragging a buggy after it. Probably the buggy didn't have "Henney" on the step and the horse wanted one of the kind it saw advertised in the News. It didn't damage the buggy, however, which must have been a pretty good one.

"So These Were Wed—"

Urban H. Brown and Miss Mary Wright were married yesterday shortly after noon at the M. E. parsonage, Rev. Prall performing the ceremony, in the presence of only a few friends of the contracting parties. Mr. Brown is well known in Jasper, having lived for several years on the Pitts farm; south of here a few miles, whence he removed with his parents to Oklahoma about three years ago. He is a straight forward, industrious young man and generally well liked. His bride is one of Jasper's handsomest and most popular young ladies, the eldest daughter of Chas. Wright, and for some months past has been in the employ of Roberts & Son, the general merchandise men. The proceedings that gave Mr. Brown a bride lost Messrs. Roberts a most efficient saleslady who will not easily be replaced. Mr. and Mrs. Brown will make their home in the Mt Moriah neighborhood, on the Wingfield farm, which the groom recently rented, and whither they repaired immediately after the ceremony. The best wishes of their friends for a long, happy and prosperous life together will reach them there.

Wanted Local representative for Jasper and vicinity to look after renewals and increase subscription list of a prominent monthly magazine on a salary and commission basis. Experience desirable, but not necessary. Good opportunity for right person. Address Publisher, box 59, Station O, New York. 10-24-2t

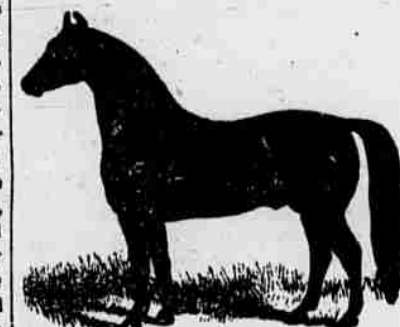

A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon, for me and cured it in a wonderfully short time." Best on earth for sores, burns, wounds. 25c at Webb Bros. drug store.

Zion W. C. T. U. will hold an all day session at Zion Church Saturday Nov. 30, for which an interesting program has been prepared which will be published in this paper next week.

About Wagons

Service, not Price, should be the great point considered in buying your new wagon. An inferior wagon is dear at any price. As all wagons look much alike when finished, painted and varnished you can't be too cautious in your selection. The wise thing to do is to buy a STUDEBAKER in the first place and save the disappointment that comes when your cheap wagon begins to fall down. When service is considered the Studebaker is the cheapest wagon you can buy.

Note carefully these Points of Superiority in the Studebaker: SUPERIOR TIMBER, treated by secret process; BLACK BIRCH HUBS, which shrink true and won't split or check; SLOPE SHOULDER SPOKES, twice the strength of other makes; RAISED JOINT RIMS, that prevent tire loosening; "STUDEBAKER DISH" WHEELS, that won't dish. Call and have other points explained.
